NH LOGISTICS
GmbH

ABOUT US

NH Logistics GmbH was founded in 2019 by Dimitrios Nastos and Sascha Höller, NH for short.

The managing director Mr. Nastos is already active in the logistics industry since 2006 in leading positions and has accordingly very good industry knowledge in the forwarding and logistics sector.

Shareholder Mr. Höller has been successfully managing Bio Brennstoffwerk Höller GmbH since 2011. Due to the steadily increasing transport volume of furniture and fuels, it was time to establish an own logistics company together with Mr. Nastos in order to gain independence from the market.

The head office is located in 64 823 Groß-Umstadt. Here we have a warehouse of 3,000 sqm. In 2021, the branch office in 44 536 Lünen was opened. Since July 2022 we have another branch in 18 299 Laage. There, next to another warehouse, is the location of our fleet.

Independently of our locations, we have a large Europe-wide network of customers and suppliers due to the different fields of activity of Mr. Nastos and Mr. Höller. You as a customer and partner of NH Logistics will benefit from the resulting synergies.

OUR STRONG GERMANY- & EUROPE-WIDE NETWORK

OUR LOCATIONS

OUR NETWORK

PARTIAL & COMPLETE LOADS

We are specialized in partial and complete loads. This enables us to work independently from our locations. Individual solutions - that's what NH Logistics GmbH stands for.

DISPOSITION

It is especially important to us to develop the optimal solutions for your transports flexibly and quickly. We plan conscientiously, reliably and consider your date wishes. Your satisfaction is our top priority.

CONSULTING & QUALITY ASSURANCE

We take our time for you - individual consultation is important to us. Therefore, communication and good accessibility are the basis for a good cooperation. Our customer service and our innovative forwarding software ensure a smooth process.

STORAGE

We can provide you with storage space for your goods throughout Europe on a short or long-term basis. In addition, we have our own warehouse in 64409 Messel with an area of around 5,600 sqm.
